Reasons for comment:	
Comments:	Longfield Road is very narrow and residents already park both sides of it making passing and crossing dangerous and difficult. There are two schools on this road with many children crossing to get to school. One school is for vulnerable children many of which are autistic and who find it difficult to adjust to changes of any kind. It can cause them lots of stress from the changes and noise of plant machinery. Many HGV Lorries already use this road in particular Pin Bins

Kind regards
