Reasons for comment:	
Comments:	This would cause many more people in Meopham with many more vehicles. The railway stations would be busier with commuters. You cannot get a seat as it is at peak times. The Medical Centre is already under pressure and would not be able to cope. They struggle now to facilitate the community. There would be dangerous access from vehicles into a small rural lane. These lanes would not be able to sustain taking heavy plant machinery. Farmland would disappear which is essential to the village.

Kind regards
