Reasons for comment:

Comments:

I totally object to this change of use and am unhappy that Gravesham Borough Council did not inform local residents of this matter.

Title Deeds contain legal covenant stating that all Turnstones properties should be used for single family household not multi occupancy of different families. No. 7 has 2 spaces thus effecting the parking in the narrow road and further obstructing the entrance to properties 20-25 as already happens.

With this proposed business operating 24 hrs with staff and other agencies it will be an increase in noise and disturb the nature of this residential area which is why we purchased our properties. A typical example is the existing residential home at 54 Old Road East creating noise additional vehicles blocking the pathway an large amounts of litter not in a bin!

Our privacy will be invaded by additional security which raises alarm bells why is it required if its only for 8-18 children? Our young children should not be put at risk.

The present landlord has shown no respect to the residents here with previous undesirable tenants. Please do not put our young children, elderly residents and cause additional stress to us please refuse this application.

Kind regards
