Reasons for comment:

Comments: While I appreciate there is a need for housing within the area, this proposed development will be located on agricultural land, that I understand forms part of the Green Belt, is highly inappropriate to the areas needs.

The land is used in food production and is important to the character of the village of Meopham.

The size of the proposed development is highly inappropriate to the needs of the local area and will place enormous strains upon local infrastructure and services.

Kind regards
