Reasons for comment:	
Comments:	Fundementally, this application fails to meet the NPPF (2025) requirements for development of Green Belt eg para 155(a). The site is prime farming land and therefore cannot be considered 'grey' belt. Government have stated we must become more self-sustaining regarding food production therefore we cannot afford to lose high grade farming land. It will also reduce the gap between Meopham and Sole Street. Green Lane is too narrow for increased vehicular traffic.

Kind regards
