Stance:	Customer objects to the Planning Application
Reasons for comment:	
Comments:	I object to this planning application. As a resident of Meopham village, I would like it to remain a village location with beautiful fields, greenery and views. These support the mental health and physical health of local people and help Meopham to remain a village location. I strongly object to the area becoming heavily built up. I also believe this will have a detrimental effect on traffic coming through the village, pollution, and put further pressure on education and doctors services.

Kind regards
