Commenter Type:	Member of the Public
Stance:	Customer objects to the Planning Application
Reasons for comment:	
Comments:	I am a resident in Meopham and would be concerned about where everybody is going to go. The single file traffic around the parade is already dangerous without having another at least 200 cars going in and out daily. There is a primary and secondary school in close proximity and this will increase the chance of someone getting seriously hurt. The doctor is already over subscribed, this will also put more pressure on Darent Valley hospital which is already seriously struggling. This will also cause an increase in pollution and we should not be building on green belt land, it's important that we have countryside.

Kind regards
