Commenter Type:	Member of the Public
Stance:	Customer objects to the Planning Application
Reasons for comment:	
Comments:	Apart from the fact that Meopham has insufficient infrastructure and facilities to cope with a development of this size this is agricultural land and given the current threats to food security it should be kept as such. If permission is given to build on one farm field a flood of applications to develop all similar land will undoubtedly follow and be impossible to refuse.

Kind regards
