Reasons for comment:	
Comments:	This enormous developement will destroy a large amount of agricultural land in a conservation area, will merge two villages and put a huge strain on schools and doctor's surgery in the area. The A227 is already heavily congested at school times so will become more so if this goes ahead. The closure of the south end of Norwood Lane would isolate residents in the event of any holdups at the north end junction with A227. The suggested open space is completely unnecessary as Camer Park is already there providing enough open space for everyone so I assume this is just a sop to help it obtain permission.

Kind regards
