Reasons for comment:	
Comments:	I travel through Meopham in the morning daily and the volume of traffic at the moment is high with congestion especially around the senior school. I have to allow 20 minutes on my journey because of this. The pollution levels would have increased with stationary queing traffic. The addition of the proposed properties it will be gridlock. The roads seriously cant cope at the moment. I strongly disagree with this proposal. On an environmental point if view, the loss of the greenfield site will be a tremendous shame and turn Meopham into a town and lose the village feeling.

Kind regards
