Reasons for comment:

Comments: I strongly object to this proposed development for the following reasons:

Infrastructure cannot possibly cope with the proposed number of homes planned;

The increased risk of accidents due to the increase in traffic - ie Wrotham Road (A277) is already heavily overused;

Impact on water table; already heavy flooding in area - more housing will cause further issues;

Impact on environment and loss of farming land;

Should look to develop brownland;

The heritage of Meopham would be changed and also leads to risk of urban sprawl. The number of new houses is disproportionate to current amount of dwellings;

Additional residents will put increased pressures on use of public transport services that already struggle to accommodate current numbers of users;

Kind regards
