Reasons for comment:	
Comments:	This would cause Urban sprawl and not protect our natural habitants for animals and plants it would destroy the uniqueness of sole street and hook lane for future generations. excessive and destructive impacyt on the surrounding communities which are beyond capacity as it is. the 2 gp practices along with Gravensend Hospital cannot cope with patients now and the influx of more would halt these to a standstill! the a227 and surrounding country lanes cannot cope with more traffic and thats not to mention the extra pollution it would undoubtedly cause Flooding risk building would cause on open land Parking at local shops is virtually non existance and more houses would cause dangerous parking non the a227

Kind regards
