Commenter Type:	Member of the Public
Stance:	Customer objects to the Planning Application

Reasons for comment:

Comments:	I object to yet another attempt to grab green belt land for the purpose of developing it. Sole Street and Meopham will merge, with the loss of arable farm land at a time when food production should be at the forefront. Ancient natural habitats for mammals, birds and hunting grounds will be lost to the effects of a huge number of dwellings, despite promises being made of retaining what looks to be pitifully few trees and natural areas. Traffic levels will be greatly increased, leading to the choking of already overly busy roads, to say nothing of increased pollution, and the development will worsen the already high levels of light pollution. This will add to the latest proposals for new housing which also need to be taken into consideration. Open land is ideal for the absorption of carbon, which will also be lost. I would also question what amenities such as a GP surgery will be provided, especially as these things are already at capacity. In short, this seems to be yet another cynical attempt to put profit and greed before the needs of local people and their surroundings.
-----------	--

Kind regards
