Commenter Type:	Neighbour
Stance:	Customer made comments in support of the Planning Application
Reasons for comment:	
Comments:	I am writing to inform you that we fully support [REDACTED] Furzy Lea to pursue their proposal of gymnasium and summer house. We feel Fruzy Leas proposal adds value to our lane and is not at all obstructive. In order to access our property we regularly pass by Furzy Leas property and can ensure you that the structure/landscaping is so far done tastefully. Unfortunately, over the years there has been personal issues between our neighbours and some are seizing the opportunity to make it difficult for our residents at Fuezy Lea to complete their project. I belive the objections made so far hold no value and we would love to see our neighbour peacefully complete their project far their growing family.

Kind regards
