Description of the Proposal

Please note in regard to:

- **Fire Statements** - From 1 August 2021, planning applications for buildings of over 18 metres (or 7 stories) tall containing more than one dwelling will require a 'Fire Statement' for the application to be considered valid. There are some exemptions. [View government planning guidance on fire statements](#) or [access the fire statement template and guidance](#).
- **Permission In Principle** - If you are applying for Technical Details Consent on a site that has been granted Permission In Principle, please include the relevant details in the description below.
- **Public Service Infrastructure** - From 1 August 2021, applications for certain public service infrastructure developments will be eligible for faster determination timeframes. See help for further details or [view government planning guidance on determination periods](#).

Description

Please describe details of the proposed development or works including details of proposals to alter, extend or demolish the listed building(s)

With regard to the Port Control Centre (PCC) facility the development will comprise of demolition of an external stairwell; construction of a new single storey roof space, removal and relocation of the radar mast, internal refurbishment, improvements to the exterior facades and new landscaping to provide a level access to London River House and the PCC.

The existing link between the PCC and Grade II listed Royal Terrace Pier will be enhanced, and repaving works is proposed in the forecourt area of the listed pier

Has the development or work already been started without consent?

- ☐ Yes
☒ No

Listed Building Grading

What is the grading of the listed building (as stated in the list of Buildings of Special Architectural or Historical Interest)?

- ☐ Don't know
☐ Grade I
☐ Grade II*
☒ Grade II

Is it an ecclesiastical building?

- ☐ Don't know
☐ Yes
☒ No

Demolition of Listed Building

Does the proposal include the partial or total demolition of a listed building?

- ☐ Yes
☒ No

Immunity from Listing

Has a Certificate of Immunity from Listing been sought in respect of this building?

- ☐ Yes
☒ No

Listed Building Alterations

Do the proposed works include alterations to a listed building?

- ☒ Yes
☐ No

If Yes, do the proposed works include

a) works to the interior of the building?

- ☐ Yes
☒ No

b) works to the exterior of the building?

- ☐ Yes
☒ No

c) works to any structure or object fixed to the property (or buildings within its curtilage) internally or externally?

- ☒ Yes
☐ No

d) stripping out of any internal wall, ceiling or floor finishes (e.g. plaster, floorboards)?

- ☐ Yes
☒ No

If the answer to any of these questions is Yes, please provide plans, drawings and photographs sufficient to identify the location, extent and character of the items to be removed. Also include the proposal for their replacement, including any new means of structural support, and state references for the plan(s)/drawing(s).

On the eastern façade of the Port Control Centre (PCC), there is an existing link between the PCC and the Grade II Listed Royal Terrace pier and it is proposed that this will be retained and enhanced. As existing the accessway links from the ground floor of the PCC into the front part of the Pier. This accessway is primarily used by PLA Pilots who travel from the office onto the Pier and then onto a pilot vessel on the Thames. This can take place at anytime over a 24 hour period and for safety and security reasons it is considered essential that this link is retained, however due to the proposed removal of the eastern staircase and the façade works to the PCC the following works are required:

The section of the existing link which also forms part of the eastern staircase will be demolished and rebuilt, whilst the existing part of the link between the eastern staircase and the listed pier will remain. There will be no demolition works connected to the pier itself.

It is proposed that the link will be clad in the same render material as the rest of the PCC facade. The external structure of the pier itself will not be changed.

Within the pier forecourt itself there will be no changes and the existing doorway and door to the link will remain in place.

Further details can be found in the associated heritage statement and detailed plans

Authority Employee/Member

With respect to the Authority, is the applicant and/or agent one of the following:

- (a) a member of staff
(b) an elected member
(c) related to a member of staff
(d) related to an elected member

It is an important principle of decision-making that the process is open and transparent.

For the purposes of this question, "related to" means related, by birth or otherwise, closely enough that a fair-minded and informed observer, having considered the facts, would conclude that there was bias on the part of the decision-maker in the Local Planning Authority.
