Our Ref: 24/00876/ENQNEI**E-Mail:** dm@thurrock.gov.uk**Date:** 10th September 2024

Dear Planning Department

You Ref: 20240149

Proposal: Proposed construction of a new cable tunnel beneath the River Thames between Gravesend and Tilbury to provide additional transmission capacity. Above-ground infrastructure in the form of a new Cable Sealing End compound and a new head house building along with associated electricity infrastructure, access, parking, boundary treatment and two overhead gantry structures for future overhead lines. Temporary compound for the duration of the project to provide parking, staff welfare facilities, delivery vehicle parking, and equipment and machinery storage, including boundary treatment and lighting. Comments to be made by 5th September 2024.

Location: Outside Thurrock

Your enquiry has been received by Thurrock Council, and after reviewing the documents available online, along with original versions of documents submitted under the same application reference, I can confirm that we have no comments to make. The proposed development would not impact the Thurrock Council Boundary.

Please note that Thurrock Council is also currently considering a similar application submitted by the same applicant, and it is understood that if both applications are approved, the developments would occur concurrently.

Yours sincerely,

Nina Hicks
Planning Officer
