Commenter Type:	Neighbour
Stance:	Customer objects to the Planning Application
Reasons for comment:	
Comments:	I object to this proposal due to the following reasons: - Work has already started on this development outside of planning regulations. This is green belt land that is being destroyed. - Ridge lane is a narrow lane not set up for residential use, potentially causing safety issues due to increase of traffic. Additionally this is agricultural land that is not set up for drainage leading to flooding risk -

Kind regards
