

(a) ***the materials used in any exterior work (other than materials used in the construction of a conservatory) shall be of a similar appearance to those used in the construction of the exterior of the existing dwellinghouse***
The proposed materials used are in-keeping with the existing dwelling and proposed remodelling.

(b) ***any upper-floor window located in a wall or roof slope forming a side elevation of the dwellinghouse shall be –***
1. obscure-glazed, and
2. non-opening unless the parts of the window which can be opened are more than 1.7 metres above the floor of the room in which the window is installed
The above does not apply.

(c) ***where the enlarged part of the dwellinghouse has more than a single storey, or forms an upper storey on an existing enlargement of the original dwellinghouse, the roof pitch of the enlarged part must, so far as practicable, be the same as the roof pitch of the original dwellinghouse***
The proposed roof is the same pitch angle as the existing roof.
