I wish to **object** to planning application number **20251233** for the reasons stated below:

ADDED Pressure on local Hospitals only One doctors Surgery
Only one bus Service which is every hour and does not run in evenings and does not always run every day.
no safe walking or cycling routes from Meopham to Gravesend. No train service near
One local school which is full to capacity as with the doctors Surgery. (which there is only one)
loss of valuable green belt which will interfere with natural habitats with long term damage.
including protected ~~specially~~ species living here
more traffic congestion at junctions in and out of Istead Rise along the A227 and onto New Barn Rd.
lose of fertile farming Land which supplies a fundamental food supply.
noise pollution from a lot more traffic up and down Downs Rd.
