I wish to **object** to planning application number **20251233** for the reasons stated below:

I have lived at the above address for over 15 years and my daughters attend a local school. I oppose the development because:

- It is neither an economic or environmental benefit to the community - in fact the opposite.
- There are significant and mainly busy roads in the area which cannot handle a traffic (Cussons Road)
- The area already suffers from flooding and raising a natural security barrier is ecologically and environmentally damaging
