I wish to **object** to planning application number **20251233** for the reasons stated below:

The buildings site should not go ahead due to it being green ~~belt~~^{belt} land. The doctor surgery here at Istead Rise is already over subscribed as is Meopham Surgery. The school will not have room for more children especially as the houses being built are primarily for families. The area is already busy with cars and I can't imagine the traffic after the houses are built as most families nowadays have at least 2 cars. Most people who moved here did so because it was rural and cleaner air - not for much longer!
