Application Reference: 20251233		Case Officer: Adeoye Lawal
Location:	Land at Rose Farm, Downs Road, Istead Rise, Gravesend, Kent	
Proposal:	Outline planning application for the demolition of 64 Downs Road & erection of up to 154 residential dwellings & creation of a new access from Downs Road (Full details on Gravesham's Council's Website)	
I am:	Member of the Public ☒ (Age 18 or above)	Other:

My address & postcode:		

I wish to **object** to planning application number **20251233** for the reasons stated below:

- * Istead Rise is already under pressure with the GP Surgery being almost impossible to get appointments etc and the local hospital under immense pressure with A&E failing, where are all these new residents going to go?
- * Loss of farmland is so so sad, once our green spaces are gone they will be gone forever, a kind of concrete. Is that what we want the UK to become?
- * There is no infrastructure for all these new families. The bus service in Istead Rise is almost non-existent. We have a small local shop & chemist & the train station is too far. Where are all these cars going to park? The pollution & noise will affect all residents.

Signed
