I wish to **object** to planning application number **20251233** for the reasons stated below:

There is no benefit to the needs of local people.
More traffic on the ~~same~~ roads vastly increasing more air pollution and noise. Parking will become horrendous.
A serious affect to walking for the children, elderly and disabled people. There are already additional pressures on the hospitals and local GP surgeries. so why add more pressure.
Schools will also suffer due to lack of space and teachers.
Lack of infrastructure for a larger population.
Greenbelt land I thought could not be built on.
Natural habitats will have environmental consequences for many years to come. being catastrophic for our wild life.
As for the farmland no fields no food.
The character of our community will be lost.
I beg you do not grant this Planning Permission
