I wish to object to planning application number 20251233 for the reasons stated below:

I strongly disagree with the development. Istead Rise and surrounding areas cannot cope with this. We have one small Doctors who cannot cope now. We need farming areas to grow crops otherwise we will be bringing in more from abroad. Wild life will disappear. Traffic around is already bad, it will come to a standstill if this goes ahead. We are always being told to use public transport our bus service is very limited and couldn't cope with more people. Istead Rise has always been a quite safe place to live this will eventually disappear and become another over crowded village. We need some green areas where you can walk and enjoy the countryside not surrounded by the awful estates that are being built everywhere. There are plenty of empty buildings that can be demolished and rebuilt as homes without ruining our countryside.
