I wish to **object** to planning application number **20251233** for the reasons stated below:

I am objecting to the demolition of 64 Downs Rd, my Bungalow is opposite 64 Downs Rd, we don't want builders Lorries, Machinery dirt and dust more pollution & noise all in front of our houses and more traffic congestion. Our road gets congested enough at school times, some teachers park in front of our bungalows all day. It would cause loss of privacy to our homes. Walking to school would be more dangerous with the additional hazard of a busy new junction for children to cross, The noise and Pollution would surely effect the health of children in school and at Play time and people living so close to the building site. Our School, GP Surgery are at maximum capacity now, local hospitals are struggling to cope. Loss of our lovely farming land and catastrophic for our wildlife. The whole Plan is inappropriate and does not benefit the needs of local people
