Commenter Type: Member of the Public

Stance: Customer objects to the Planning Application

Reasons for comment:

Comments: I object to the application of macdonalds in the former woodlands restaurant for the following reasons
Increase in traffic on Wroxham road and surrounding area
Parking in surrounding area
Increased use of mopeds and electric scooters and cycles which often use the walkways creating danger for people using the park
Increase of litter in surrounding area and the park
Increase of traffic noise and pollution
The risk of the outside area becoming a meeting point for groups of people in cars and motorbikes as what happens at the tollgate services which often has to be policed
The devaluation of people's properties who live opposite
Smells and light pollution from the macdonalds sign
Unhealthy food for youngsters in the nearby school
High risk of more accidents involving pedestrians especially children on an already busy road

Kind regards
