Reasons for comment:	
Comments:	Dear sir/madam I am very concerned about the plans for over 700 houses in our already over stretched Village. The main road the A227 is extremely busy as things are without adding potentially many hundreds of vehicles joining it from this development. The local services are stretched as things are, it's almost impossible to get a doctor's appointment as they are obviously overwhelmed. There's very little parking for the local shops which means traffic will start to queue on the main road causing a safety hazard. And lastly we are a beautiful village and I, like many others moved to Meopham to be in a village environment not a small town. Please put a stop to this application as I believe it will be extremely detrimental to our village.

Kind regards
