Comments Details

Commenter Type:	Neighbour
Stance:	Customer objects to the Planning Application

Reasons for comment:

Comments:	I strongly object to building on this area of GREEN BELT land -Grade 2 Agricultural Land: a home to various wildlife, a provider of food and a place of tranquility between Meopham and Sole Street - two separate villages which do not require co-joining. This proposed site is not part of the Gravesham Local plan. It will increase the population on an already busy commuter belt both by car and train and in an area where NHS services are already over-stretched. Both stations are not suitable for those with physical disabilities or families with buggies. Parking in Meopham is already a huge issue, we do not need further cars and families using the shopping parades at Camer and Hook Green. The A227 is already a rat run, especially at morning and evening rush hours and increased traffic at the junction with Green Lane will be extremely hazardous. As a resident of Norwood Lane I would strongly object to this lane being closed to general public as is shown in the plans - this, along with the increased housing, will only have a negative impact on the value of my house. I will no longer be able to drive directly to Sole Street with beautiful fields as my scenery. I worry also this might impede emergency vehicles.
-----------	--

Kind regards
