Stance:	Customer objects to the Planning Application
Reasons for comment:	
Comments:	I 100% object to this planning permission for all these houses, there seems to be a fundamental conflict with this Planning policy. Also there will be a complete loss of the settlement identity of the area and it will be crazy unacceptable impact on highways (that road is dangerous enough adding up to 750+more Cars to it crazy !any road deaths to be on you !and the air quality of the area. The drainage will be awful increase of flood risk and significant Harm to Greenbelt and landscape character. I can't be believe that you're even considering planning application!!! shame on you andGravesham Council if this is approved !!considering this !!what happened to our green and pleasant pastures,???

Kind regards
