Reasons for comment:

Comments:	I strongly object to this planning application for a number of reasons. The plot of land in question is green belt & this makes a mockery of the very reason this was put in place in the first instance. It is there to protect plots of land like this and change of use should never take place. The plot of land in question is on a very narrow & quiet country lane which will not be at all suitable for any additional traffic let alone large caravans being towed by large vehicles. All the surrounding lanes are are equally as narrow. The damage to the trees & vegetation would be irreparable & it would completely spoil the landscape from it's natural appearance. With all this in mind this application should be rejected without further consultation or appeal.
