Comments Details

Commenter Type: Neighbour

Stance: Customer objects to the Planning Application

Reasons for comment:

Comments: HGVs will cause a nightmare to the local community and create hazards for people and the wildlife.

The roads are not big enough for such an influx or large vehicles.

Will the council be making the roads bigger to accommodate. Maybe the committee should try driving down the roads with an oncoming vehicle to test if they think it is feasible before approving it.

Kind regards
