Comments Details

Commenter Type: Neighbour

Stance: Customer objects to the Planning Application

Reasons for comment:

Comments: I object to this planning application. New Property will overlook multiple neighbouring gardens, which will severely impact privacy. Already very limited public resources such as parking will be further stretched.

The outside / green space of current property will be sacrificed to wedge in more housing, which will also have no outdoor space for potential occupier and will have a negative impact on local wildlife.

This application does nothing to uplift the local community and is just an opportunity for financial gain.

Kind regards
