Reasons for comment:	
Comments:	I wholeheartedly support change of use of the property to a place of religious instruction. I live 2 minute's walk away from the property and I would directly benefit from this as both my children and myself will be able to take advantage and further my knowledge so we would be able to practice our faith better. I currently use a car to go to another place of worship and study, but now I would be able to walk there.

Kind regards
