Comments Details

Commenter Type:	Member of the Public
Stance:	Customer made comments in support of the Planning Application
Reasons for comment:	
Comments:	I support the change in purpose of property as I and my children would directly get benefit from this as we would be able to walk from our home on The Grove and attend. As I do not drive, it would benefit us greatly if there was a place of worship/instruction within walking distance from me

Kind regards
