Reasons for comment:	
Comments:	Our GP and local hospital are already at maximum capacity, no good public transport, no spaces in local school, water in Kent is not good. We have only basic shopping on the rise and parking is very limited. This is precious green belt land home to many animals who are losing their homes at an alarming rate. Also farming land which we can again ill afford to lose. Once we have built over all the countryside in Kent we cannot go back.

Kind regards
