Commenter Type:	Member of the Public
Stance:	Customer objects to the Planning Application
Reasons for comment:	
Comments:	This is precious farming land which we need in this country and also home to many animals that are loosing their homes at an alarming rate. Our GP surgery and local hospital are running at full capacity already. We have no good transport, no spaces in local schools, and a lack of water in Kent. Not many local shops and the parking is very limited.

Kind regards
