Comments Details

Commenter Type: Member of the Public

Stance: Customer objects to the Planning Application

Reasons for comment:

Comments: This road is not fit or designed for use by lorry's, I have witnessed how dangerous this is for members of the public who use this road in cars to access, leaving only one option to reverse out onto Wrotham road into fast travelling vehicles around blind bends. It is only a matter of time before an accident happens or a death occurs. Further planning is required to ensure safety of all road users.

Kind regards
