Custom and Self-build Delivery Statement Template

This custom and self-build delivery statement template should be submitted with planning applications that include custom and self-build housing to help the Council understand how the proposal meets the custom and self-build legal definition, as set out below.

Custom and Self-build housing legal definition

Section 1 of the [Self-build and Custom Housebuilding Act 2015](#) (as amended) states:

“1(A1) In this Act “self-build and custom housebuilding” means the building or completion by—

- (a) individuals,
- (b) associations of individuals, or
- (c) persons working with or for individuals or associations of individuals, of houses to be occupied as homes by those individuals.

(A2) But it does not include the building of a house on a plot acquired from a person who builds the house wholly or mainly to plans or specifications decided or offered by that person.”

The [Planning Practice Guidance](#) (2021, paragraph 016) states that initial occupants must have a primary input into the final design and layout of the home.
