Reasons for comment:	
Comments:	Dear Mrs Fisher, I am writing to object to the proposed development of a McDonald's restaurant near the park. I strongly oppose this project because it would negatively affect the local environment. The presence of a fast-food restaurant is likely to lead to increased litter, noise, and disturbance in an area that is currently used for recreation and relaxation. In addition, this type of food is not healthy, and placing a fast-food outlet next to a public park sends the wrong message about promoting a healthy lifestyle, especially for children and families who use the park. The park should remain a clean, quiet, and safe place for residents. This development would undermine that. For these reasons, I respectfully request that the application be refused.

Kind regards
