Reasons for comment:	
Comments:	This is an awful idea for lots of reasons. 1, being so close to St George's school and wrotham road school will have an adverse effect on children's health and obesity levels 2, the rubbish it will generate will have a massive affect on the local area, particularly the park next door. Rubbish is already an issue in the area. 3, pollution will increase due to the amount of traffic this will generate with people coming from outside the immediate area. 4, it will take customers away from the McDonalds in the town centre meaning footfall will decrease again in an already struggling town. 5, noise pollution for local residents I cannot believe in this day and age with awareness on health & pollution that this is even being considered especially in such a built up area

Kind regards
