Stance:	Customer objects to the Planning Application
Reasons for comment:	
Comments:	Further building on green belt land which should be for farming. Prevent urban sprawl joining Hook Green and Sole Street. Proposed development would seriously increase the volume of traffic. Public transport totally insufficient. Doctors in the area already at capacity and we cannot get appointments. Traffic will build up at the junction of Green Lane and the A227 forcing traffic to exit via the adjacent housing estate.

Kind regards
