Stance:	Customer objects to the Planning Application
Reasons for comment:	
Comments:	I object to this proposal on the following grounds Increasing congestion on an already over used A road. As a neighbour I object to the increase in noise litter and noxious smell this will inevitably create. I object on health grounds as the site is adjacent to a public park where families and youngsters gather and too close to several schools especially St Georges c of e school where i am a governor. The easy availability of fast unhealthy processed food will inevitably increase unhealthy eating choices and add to the current obesity epidemic. Finally this restaurant is totally different as primarily fast food and takeaway compared to the previous family restaurant and will in my view devalue the properties in the vicinity.

Kind regards
