Stance:	Customer objects to the Planning Application
Reasons for comment:	
Comments:	I strongly object to the development of 725 houses, and sport and recreational facilities. I consider this amount of housing to be totally excessive and will destroy arable green belt land. The unique nature of the ancient village of Meopham dating back to the Domesday book will also be destroyed as well as the loss of homesteads for many wild animals such as badgers, foxes and the local bird life. Additionally the road system cannot cope with such an extra amount of traffic or can the existing medical facilities. We do not need the village of Meopham to expand in such a way that destroys the entire nature of this rural village.

Kind regards
