Comments Details

Commenter Type:	Neighbour
Stance:	Customer objects to the Planning Application
Reasons for comment:	
Comments:	Strongly object as the area cannot cope with this number of houses, roads are tight and it designed for multiple cars, flooding all round that area already, rare birds including the little owl and tawny owl. I moved from a suburb to this beautiful village for peace and the rural views, this will be devastated. The building works alone will pollute with noise, large vehicles and building materials. It takes over 3 weeks to get a medical appointment at Meopham, [REDACTED] [REDACTED] The electricity in the area often drops out, Wi-Fi is poor, phone signal poor. Water is often low pressure. Trains on peak are full to capacity, the first off peak is also full. We cannot cope with more houses and cars and people.

Kind regards
