Reasons for comment:	
Comments:	I feel that a fast food restaurant in such proximity of a park and school is appalling. [REDACTED] Saint George's primary school, and will probably be at secondary school upon its proposed completion. This is too convenient for children to call into walking past first thing in the morning and on the way home from school. Child obesity is something that I'm sure is what we are trying to stray away from, along with other health issues. To be fair, no matter what any member of the public has to say it will happen regardless. In a nut shell, obesity, litter, health issues, more traffic, are just a few concerns, but as long as it makes money who cares about any of this!! Should be built on the tolgate site instead! Straight off the A2, no passing on the way into school, no houses near by, bigger site.

Kind regards
