Re: 20260903

**Location: St Josephs Convent Of Mercy , Hillside Drive, Gravesend,
Kent DA12 1NY**

Proposed Development: Application for variation of condition 2 (Approved Plans) attached to planning permission reference number 20241161 for Change of use of surplus convent buildings into two 6-bedroom townhouses, demolition of existing single-storey extensions to the west and construction of a 2-bedroom attached chalet bungalow, reorganisation of the convent car park and alterations to create a front entrance, erection of two single-storey bays to the rear elevation, dividing up the existing garden, and forming a new driveway to access the gardens to the rear.;

Thank you for consulting us on the above planning application.

I have reviewed the submitted variations to the previous submitted approved plans and do not consider that the variations would require any change to the previous given advice that no archaeological mitigation would be necessary.

I would be pleased to discuss any of the above further

Yours sincerely
