Comments Details

Commenter Type:	Neighbour
Stance:	Customer objects to the Planning Application
Reasons for comment:	
Comments:	The rear garden of the said property has already had a very large oak tree removed without any notice to us the neighbours. The said house will overlook all neighbours garden and houses and may block light to other dwellings it will also llead to further properties being built on this land. These works will be carried out opposite a school, doctors practice and a library, the heavy use of deliveries and labours vehicles will be a risk to the school children. Please don't let anymore houses be built on green land.

Kind regards
