Reasons for comment:

Comments: Office which have 60 vehicles standby , operate 24/7 , unsuitable for the local narrow road as it is agricultural area not for commercial , area has horses (stable) , runners, bicycles, local dogs walker using this road and school near by when is rush hours if HGV use Nash bank to turn will be dangerous, wrotham road 50 mile speed limit and will block the road this road area shouldn't be allowed for HGV in the first place , one off delivery is ok but for 24/7 using this road is impossible

Kind regards
