Commenter Type:	Member of the Public
Stance:	Customer objects to the Planning Application
Reasons for comment:	
Comments:	This will make pollution and congestion alot worse than it already is. You can never park when you pick your children up from school, so i don't know how this will be any better with only having one entrance to the new builds. Walking to school will be more dangerous on the roads. The wildlife will also be affected.

Kind regards
