Summary

There are design concerns particularly over the three storey nature of the proposed side extension and flat roof, and on this basis the proposal is not likely to be considered favourably if submitted for planning permission. However, it is considered there is scope for amending the design to achieve a more appropriate extension.

Authority Employee/Member

With respect to the Authority, is the applicant and/or agent one of the following:

- (a) a member of staff
- (b) an elected member
- (c) related to a member of staff
- (d) related to an elected member

It is an important principle of decision-making that the process is open and transparent.

For the purposes of this question, "related to" means related, by birth or otherwise, closely enough that a fair-minded and informed observer, having considered the facts, would conclude that there was bias on the part of the decision-maker in the Local Planning Authority.
